

EAS FLIGHT TRAINING AIRCRAFT RENTAL AGREEMENT

- 1) All rental customers shall complete a checkout (1 Hour Minimum) with an EAS Flight Training instructor or other pre approved representative. A proficiency review of at least one hour must be completed annually to remain a valid rental customer. (a.) The renter pilot must present an original plastic pilot certificate, current medical certificate, current flight review endorsement entry in logbook and a non expired US drivers license or other US government issued picture ID.
- 2) All pilots shall operate the aircraft within the approved limitations of the aircraft and conform to all appropriate FAA regulations.
- 3) Scheduling of all aircraft can be done online @ flightschedulepro.com, or by contacting EAS Flight Training by phone @ (877)235-9327.
- 4) Please contact EAS Flight Training as soon as possible if you need to cancel or postpone your lesson or rental. **Reservations cancelled less than 24 (twenty four) hours in advance of the scheduled rental time or failure to show for a scheduled time will result in a \$35.00 charge to be assessed.**
- 5) The aircraft will be made available to other renters and students fifteen (15) minutes after the reserved departure time if the scheduled renter has not arrived by that time.
- 6) All flights originating or terminating between the hours of 17:00 (5 PM) and 07:00 (7AM) local time shall have prior approval from management or instructor.
- 7) The prices of the aircraft are wet, Hobbs/Hour meter rates. All off field fuel purchase receipts must be turned in at the end of the flight to obtain fuel credit.
- 8) All renters shall report any aircraft discrepancies to EAS Flight Training personnel immediately following the completion of the flight.
- 9) In the event of any mechanical problems while the aircraft is off site (not at EAS Flight Training) you must contact EAS Flight Training before incurring any expense related to the problem.
The renter will be responsible for any expense or repair incurred if not approved in advance.
- 10) **Renters will be responsible for an insurance deductible of \$2500.00 in the event of an accident or incident that requires repairs to the aircraft while in the care of the renter.**
EAS Flight Training encourages, but does not require, a non owners (renters) insurance policy to cover any Accident or incident should one occur.
- 11) If you have not flown the aircraft you wish to rent within the preceding 120 days you may be required to complete another checkout in that make and model before your next rental.
- 12) **No commercial operations are allowed** by rental pilots in EAS Flight Training rental aircraft. This includes but is not limited to, flight instruction, commercial photography, transportation of passengers or property for compensation or hire etc..
- 13) All renters will keep on file with EAS Flight Training, current and valid credit card information. Furthermore, by the signatures below, it is agreed that any charges assessed due to the above agreement, or for rental flights where the aircraft was returned after normal business hours per item (6) can and will be charged to that credit card on file on the next business day.

I _____, have read and fully understand this document and agree to comply with all the terms and conditions as stated above.
